A Tale of Love and Darkness

This Sunday, August 13 at 7:30 pm

A Tale of Love and Darkness is based on the autobiographical novel of the same name by Israeli author Amos Oz and is directed by Natalie Portman, who also portrays his mother. It also stars Amir Tessler as Oz, and Gilad Kahana as his father.

The film details the young man's relationship with his mother and his beginnings as a writer, while looking at what happens when the stories we tell become the stories we live. It takes place in Jerusalem in the last years of Mandatory Palestine and the first years of independent Israel.
